LOCAL POLITICAL NOTES.

The Democratic county central committee, consisting—so far as we have been able to learn at this writing—of Hon. J. B. Goshorn, got together somewhere last Saturday and nominated a full county ticket. There was not a word said about fusion, we understand, but by a singular coincidence the ticket nominated was precisely the same as that named some time ago by the People's convention! There was no platform adopted, so far as we can learn. But that was probably out of consideration for the candidates who might find it unpleasant to be stretched over two platforms. It may also have been owing to some doubt in the mind of the central committee—this being an off year—as to what it was really best and safest for him to believe. The meeting of the committee, the outpouring of the Democratic masses we presume it might be called, was entirely harmonious. In fact there was but one voice in all its deliberations. What ever the chairman of the committee—Mr. Goshorn—proposed, the other members of the committee—Mr. Goshorn—unanimously approved, and the secretary of the committee—Mr. Goshorn—cheerfully recorded. It was a conservative meeting too. It did not ransack the hedges and the sunflowers for new and untried candidates. On the contrary it chose men who are already in the candidate business, ready made candidates, as you might say,—sort of hand-me-down ticket. It is a little shelf worn, to be sure, this ticket is, a little creased and faded, a little inclined to run down at the heel and ravel at the toe, a little old fashioned and out of date. "But then," argued the committee, "it is good enough for the Democracy of Allen county. Anything is good enough for them this year. Original, tailor-made Democratic tickets are scarce in Allen county and come high, and this committee doesn't think it wise to incur the expense." And so, after a speech by Hon. J. B. Goshorn which was heartily applauded by the committee, the meeting adjourned.

There is one particular in which Populists and Democrats set a good example to Republicans: And that is in being loyal to their ticket. You never hear one of them say that some candidate on their ticket will not receive the full party vote,—because every candidate always does get the full vote of his party. That is the kind of loyalty every Republican in Allen county should imitate this year. We have a good ticket. It may not have been your choice, but it was the choice of your party, and the majority should rule. The success of the party this year is infinitely greater moment than the success or defeat of any candidate. And that success is bound to follow a loyal support of our ticket, for last year clearly demonstrated that the Republicans have a good majority over the combined opposition. Talk for the ticket, work for it, vote it, will be the program, we hope, of every Republican from now till election day.

It is already clear that the opposition in this county expect to concentrate all their effort on the offices of clerk and sheriff. They want the clerk because they have an idea that he may help them out in counting the vote next fall, and they want the sheriff because he has more patronage at his disposal and can have more influence in building up his party than any other officer. The knowledge that these two officials, if gained by the opposition, might be used in this way, should make every Republican particularly watchful and zealous for the corresponding candidates on his own ticket. We do not want to put clubs into the hands of our enemy to beat us with next year.

Col. W. C. Jones is our authority for the statement that there is a large element of middle-of-the-road Populists in this county who are dissatisfied with the mouzel agglomeration of Democrats, Populists and Nothings that has thus far masqueraded as "The People's Ticket," and who will hold a convention soon to nominate a straight People's Party ticket. This news, as they used to say about the dispatches from the Potomac, is "important if true."

There will be a political meeting at Prairie View school house, District 39 next Wednesday evening, Oct. 4, to be addressed by the editor of the REGISTER.

The County Sunday School Convention.

Report of the 21st Annual Convention of the Allen county Sunday school association held at Prairie View Sept. 18 and 19th 1893.

The convention was called to order at 2 o'clock p. m. by President H. B. Adams. Rev. Wm. Leisner conducted the opening services in a very acceptable manner. Discussion of subjects occupied the afternoon, no time was lost and the talks and papers showed that much thought had been given to the questions under consideration. Those leading and present were David Ayers, Mrs. Funk and Rev. F. M. King; papers by Miss Margery Stevenson, Mrs. Hodges, and Mrs. Beatty were sent in and read. The evening song services opened with song service and the repeating of Bible promises led by Rev. Gilliam. It was interesting and inspiring. The address of the evening was made by Dr. A. P. George and all were sorry when he stopped.

Rev. L. S. Faust led the praise service that was at the head of the program for Tuesday morning, after which followed the discussion of the most interesting topic on the program to-wit: "Better use of the Bible" (a) in the study of the lesson, Miss Olla Gerahl; (b) in personal conversation, Mrs. Dr. Jewell; (c) in family worship, Mrs. E. I. Crowell; (d) in teaching the lesson, Mr. Ira Patterson. Miss Gerahl and Mrs. Jewell, were absent but their parts were ably discussed by Mrs. Seymour and Rev. Squier.

The address by J. W. Armstrong of Burlington was instructive, so was the Normal training lesson given by Dr. George. County finance was ably presented by J. W. Johnson. Allen county was assessed \$50 by the State association. Mr. Johnson thinks that he can raise it. One dollar from each Sunday school in the county will meet the requirements. Reports made by township presidents show some advancement and much work yet to be done. Election of officers for the ensuing year resulted as follows: Pres. Ira Patterson, Sec. M. P. Jacoby, Asst. Sec. H. B. Adams. Iola was the place selected to hold the next convention. Dinner was then announced. Rev. Squier opened the afternoon exercises, after which Dr. George and Mr. Armstrong discussed their respective topics; black board in the Sunday school and duties of township presidents. A vote of thanks was tendered the retiring officers for the faithful and efficient manner of discharging their duties, also to the citizens of Prairie Hill for their hospitality. A resolution endorsing Woman Suffrage was passed and then the convention adjourned.
